Welcome to  
Rotary Club of Medway  
Annual Santa Fun Run

SATURDAY 18th NOVEMBER 2017  
Castle Moat - Rochester  
organised by the  
ROTARY CLUB of MEDWAY

This annual event is now nine years old and each year attracts a larger number of people interested in having some family fun. Winning is not the objective BUT taking part more important, where fitness is much less important than following in the footsteps of young, old, wheelchairs, prams and pets, all decorated to bring in the Christmas cheer of Santa. This year will be no exception. The registration desk will be open at 12.00 for on-the-day bookings and for suit collections. Our local DJs will be entertaining and warming up the Santas from 13.00, before the hundreds of Santas make their way in a mass parade, starting at 14.00, into the depths of Rochester High Street where over 1,000 paraded last year.
